## **Abstracts**

Both the volume and the value sales of retail adult incontinence registered a solid rebound in 2023, thanks to the lifting of pandemic restrictions and the resumption of offline activities. With the frequency of going out and travel back to normal, the demand for adult incontinence products is recovering, especially among heavy users such as the elderly. Meanwhile, as the ageing population continues to increase, the consumer base for adult incontinence keeps enlarging. The use of adult incontine...
