## Abstracts

Retail adult incontinence continued to experience strong value sales growth in 2023, with inflationary pressures playing a significant role. Despite stabilisation in fuel costs after the initial shock in 2022 following the Russian invasion of Ukraine, the Government's temporary removal of excise duty on petrol ended in July, leading to increased costs passed on to consumers. Additionally, flooding and extreme weather events in early 2023 placed considerable pressure on the country's infrastru...
