Abstracts

In 2023, the retail adult incontinence landscape in Peru showcased accelerated growth, in line with results noted across the late review period. In addition to growth rising from a small base, increasing awareness and consumer education has bolstered retail volume growth in 2023. Recommendations from friends or doctors, in addition to communication efforts of companies, resulted in strong sales, with players focused on advertising in addition to encouraging trials through discounts and promotion...

Euromonitor International's Retail Adult Incontinence in Peru report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth.
