Abstracts

Retail adult incontinence continued to be supported by baseline demand in Uzbekistan in 2023. Notably, Rx/reimbursement adult incontinence is not relevant in the country, so retail attracts the primary attention. We also note ongoing consumer education around such issues, which are becoming less taboo. Added to which, the growth of pharmacies in the country, overall, helps to support this wider acceptance, as consumers are able to visit such store to seek professional guidance from in-store expe...
