Abstracts

Retail in Israel in 2023 was affected by the political and economic panorama in the country, as the war continues. Inflation remained high and mortgages became much more expensive, with significant hikes in monthly repayments for homeowners. Added to which, the political instability is negatively affecting foreign investment, thus in turn impacting the rate of the ILS against the rate of the USD. These factors combine to increase the prices of goods in Israel, while also limiting consumers' spending...

Euromonitor International's Retail in Israel report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Product coverage: Retail E-Commerce, Retail Offline.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Retail market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and

leading brands;

Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems. With offices in London, Chicago, Singapore, Shanghai, Vilnius, Dubai, Cape Town, Santiago, Sydney, Tokyo and Bangalore and a network of over 800 analysts worldwide, Euromonitor International has a unique capability to develop reliable information resources to help drive informed strategic planning.
