Abstracts

Overall, rice, pasta and noodles is expected to register moderate constant value and volume growth. Rice continues to account for most volume sales and it is a key ingredient in local dishes. Pasta registers lower volume growth in 2023 than rice, as significant price rises dampen volume sales somewhat. Noodles is the weakest performer, with plain noodles only expected to register a marginal increase in volume sales, while instant noodles is expected to a double-digit percentage fall in volume sa...
