Abstracts

Overall, rice, pasta and noodles is expected to register moderate constant value and minimal volume growth in 2023. However, the performance is not uniform across rice, pasta and noodles. While pasta continues to account for most value sales, it is expected to see volume sales fall marginally, as high wheat prices feed into high prices for pasta. Rice lies is in the middle ground. However, noodles is expected to be the strongest performers, in particular in terms of volume growth for instant noo...
