## Abstracts

The first year of the pandemic was a breakthrough year for sales of RTD coffee in Tunisia. The category has only recently been introduced into the country and the review period saw the category record only marginal sales. Off-trade sales finally broke the TND100,000 mark during 2020 as demand increased amongst affluent urban consumers looking to re-create the on-trade coffee experience from home. However, with more people working from home during the pandemic and preferring to consume home-prepa...
