Abstracts

In Western Europe, RTD coffee is still a niche market but it is expected to be one of the most dynamic segments of soft drinks in the near future. While German-speaking countries remain the category's core business, strong growth is coming from immature markets. In the last two years, many new brands and varieties have been rolled out, such as cold brew coffee and nitro brew options, attracting new targets and meeting different consumer needs.

Euromonitor International's RTD Coffee in Western Europe global briefing offers an insight into to the size and shape of the Soft Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The analysis can focus on value and volume for both off trade and on trade.

Product coverage: Asian Speciality Drinks, Bottled Water, Carbonates, Concentrates, Energy Drinks, Juice, RTD Coffee, RTD Tea, Sports Drinks.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
