## Abstracts

The year 2023 did not witness significant new launches or packaging innovations in RTD tea. Slower growth in RTD tea compared to previous years is attributed to economic slowdowns and naira devaluation, resulting in heightened production costs. Despite these challenges, the company remained committed to supporting the brand through continued advertising efforts and a robust distribution network.

Euromonitor International's RTD Tea in Nigeria report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2018-2022), allowing you to identify the sectors driving growth.
