## Abstracts

Rx/reimbursement adult incontinence in France continued its positive growth trend in 2023, in terms of both volume and current value sales, benefitting from the essential nature of the category's products. There was a small deceleration in the first year of the COVID-19 pandemic as consumers were more reluctant to go to the doctor, viewing surgeries or hospitals as a prime place to contract the virus. Nonetheless, the products are necessary and not readily substituted, ensuring continued growth...
