## Abstracts

Public company Saidal Algerie SpA is expected to continue focusing its production activities on prescription drugs and the investment plan which it announced during 2010, set to include seven new and refurbished manufacturing plants, including a large insulin production plant in partnership with Novo Nordisk, which began producing in May 2016 in response to the rising prevalence of diabetes in the country. The investment budget for this project is €160 million and the company is expecting to sec...
