Abstracts

San Miguel Yamamura Packaging Corp is expected to continuously expand its product portfolio. It is likely to focus on penetrating new areas in different industries such as personal care, consumer health and electronics, among others. It is also predicted to develop environmentally friendly packaging options. This is likely to be matched with upgrades to its facilities to make its production process more sustainable.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
