Abstracts

SanCor could not restructure its debt and is going through a deep crisis. Production was suspended at several factories, and although the processing of raw milk reached a maximum of six million litres daily in the review period, during 2017 there were months in which it was less than a million litres a day. The company is now up for sale, and there are several international companies interested in acquiring it. Some that have shown an interest are the French company Lactalis, Lala Group from Mex...
