Abstracts

Sapanan General Food Co aims to maintain its leadership in functional bottled water in Thailand over the forecast period. At the same time, the company aims to increase sales by around 20% per year. In order to achieve this goal, the company has allocated over Bt100 million to extend a new production line to increase production capacity in preparation for serving domestic and international markets in the future.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
