ID: S99BAC9E5110EN

Abstracts

Glass continues to be the leading pack type in sauces, dips and condiments. Glass packaging has been rooted in Italian cuisine for decades, often associated with natural, healthy and home-made products. These pack types are also regarded positively as containers for liquid products. Many consumers also use glass packaging for storage purposes once they have consumed the original contents. As glass is also considered ecological and reusable, it suits the growing demand for environmentally-friendl...

Euromonitor International's Sauces, Dips and Condiments Packaging in Italy report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.
