Abstracts

The use of PET bottles as a pack type for sauces, dips and condiments continued to gain momentum in 2022 for a number of reasons. Firstly, local consumers appreciate the transparency of this pack type as they can see the texture, colour and consistency of the sauces and condiments before they buy them. Transparency further plays a role in incorporating the visual appeal and recognition of the product, which plays an important role in purchasing decisions.

Euromonitor International's Sauces, Dips and Condiments Packaging in Romania report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.
