Abstracts

Whilst holding marginally lower retail unit volume share compared to 2020, when pandemic-induced home seclusion led to a surge in home cooking and the reliance on various sauces, dips, and condiments, recipe sauces packaging returned to growth in 2022 with overall demand remaining above 2019 levels. Demand was driven by evolving consumer culinary habits and a strong interest in home cooking.

Euromonitor International's Sauces, Dips and Condiments Packaging in Singapore report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.

Product coverage: Cooking Ingredients and Condiments, Dips, Other Sauces and Condiments, Pickled Products, Sauces.
