## Abstracts

For sauces, dips and condiments in the US, glass jars has cemented its position as the leading pack type, and continued to increase its share of overall packaging volumes in 2022. Although rigid plastic dominates packaging in table sauces such as ketchup and mayonnaise, glass is more popular for pasta sauces, soy sauces, dips, and pickled products. This is because glass jars provide excellent protection against external factors which can compromise the flavour and quality of sauces, dips and con...
