Abstracts

Sauces, dips and condiments are expected to register an increase in current value, though volume sales are expected to fall slightly in 2022. However, unlike many other countries, Ecuador is not experiencing soaring inflation and the main factor contributing to the retail volume decline is that with society opening up again post pandemic lockdowns, consumers are eating in restaurants again. Though prices are rising, due to the energy crisis and supply issues caused by the war in Ukraine, they ar...
