Abstracts

Savoury snacks in Egypt is set to register an increase in both volume and value terms in 2023 as its prices witnessed a lower increase in comparison to other categories in snacks. As such, these products remained affordable for consumers. Nonetheless, the price increases that did occur were due to the rising prices of corn, which is imported. Moreover, currency devaluation led to a surge in potato prices due to strong demand for which supply could not keep up, as traders preferred exporting thei...
