## Abstracts

Inflation, together with increased production costs, continued to add pressure to the landscape in 2023, further increasing price points. The shortage of sunflower oil was also felt within savoury snacks; for example, in 2022, Taffel savoury snack brand had to replace sunflower oil with certified palm oil. In January 2023, Orkla announced it found a new sunflower oil supplier, and therefore, plans to stop using palm oil to produce its crisps, nuts and other snack products.
