Abstracts

The company's core business is the marketing and distribution of watches. Being passionate about the pleasure of timepieces, the company offers an impressive range of brands. In the short-to-medium term, the company is predicted to take advantage of the range of its brands that span different segments, which enables it to offset the effects of any migration by customers to different categories. In the longer term, however, the burden of carrying so many brands is likely to weigh the company...
