Abstracts

SG GALEC (E Leclerc) will continue to promote its stores as being less expensive compared to the key competitors in the hypermarkets channel: Low-prices are a key point for consumers during the economic slowdown. However, businesses like jewellers or pharmacies would also profit from the image of E.Leclerc as a value-for-money retailer and are expected to show a good performance, too.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
