Abstracts

Scandinavian Eyewear's core business is the design and production of designer and branded spectacle frames. Over the forecast period, it will continue to focus on the production of high quality, innovative and stylishly designed spectacle frames. The company does not intend to diversify its business beyond this core area of interest.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
