Abstracts

Setifis Bottling Co is taking steps to increase its value share in Algeria. Thanks to the rapid development and strong growth being recorded in juice and bottled water, the company is expected to gain a stronger position in the market over the forecast period, not least through its efforts to improve its value shares in categories in which its influence has so far been relatively limited, such as flavoured bottled water.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
