## Abstracts

Sets/kits are not popular in Uzbekistan. Availability of these products is very limited and occasional, as they sometimes appear for major holidays, such as New Year's Eve or the Day of the Defenders of the Motherland. These occasional sets/kits most commonly consist of men's shaving products that include shaving system, shaving gel/foam and aftershave balm/lotion. However, these sets appear only within the largest supermarkets only in very limited quantities.
