## Abstracts

SIBS – Forward Payment Solutions (SIBS FPS) will be implementing its new business core system architecture programme, ARCTIC, over the coming years. ARCTIC aims for improved flexibility, resilience and efficient processing, and its implementation began in 2012. SIBS is also projected to continue investing in the functionality of the services provided to acquirers. Given the market development and latter tendencies, it is expected that the company will explore and develop services in areas with...
