Abstracts

Demand for sleep aids is growing in 2023 to remain significantly above pre-pandemic levels. Although value growth can also be considered healthy, it falls short when compared to the remarkable figures observed in 2021, when the category experienced double-digit growth due to the impact of confinement measures on the population.

Euromonitor International's Sleep Aids in Chile report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2018-2022, allowing you to identify the sectors driving growth. Forecasts to 2027 illustrate how the market is set to change.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
