Abstracts

Sleeping pills are in high demand in Egypt, leading to double-digit retail value growth in 2023. Sleep problems are very common in the country, with many people struggling to fall asleep or stay asleep, impacting their daily lives. Sleeping pills can be an effective way to help people get the rest they need to function properly. Additionally, the stress of modern life can often lead to sleep disturbances, and people may turn to sleeping pills to help them cope. However, sleeping pills are meant...
