Date: May 2017

Pages: 3

Price: US\$ 150.00 (Single User License)

ID: S444496B5B3EN

Abstracts

The company is focused on exporting its products to the Asian and Middle Eastern markets in the nearby future. It plans to export mainly non-HW products, as these are simpler, easier and cheaper to introduce to a new audience. Moreover, it plans to increase its volume production of all dairy products within its portfolio, including HW products, due to the lifting of quotas for milk production in 2016, which had been imposed on Poland by the EU.
