Abstracts

Despite increasing competition from smaller supermarkets and convenience stores, small local grocers in Chile remained an important grocery retail channel in 2023, with value sales continuing to rise. The popularity of this channel is supported by the response to Euromonitor International's Voice of the Consumer: Lifestyles Survey (fielded January to February 2023), where 22% of Chilean consumers reported that they tried to shop in locally-owned stores, as they looked for options that were close...

Euromonitor International's Small Local Grocers in Chile report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
