## Abstracts

In 2023, small local grocers maintained a similar performance to that seen in previous years in Hong Kong, with further current value growth. The positive performance was helped by residential areas remaining a stable and strong source of domestic consumption, as such stores are often located close to people's homes. However, in 2023 this channel saw the slowest growth rate for several years. At the end of April 2022 the Hong Kong government started to relax social distancing measures, and at th...
