## Abstracts

Sales in small local grocers start to creep up again in Ireland in 2023. However, some challenges remain, as this channel also faces competition from other retail options. Whilst small local grocers tend to offer proximity convenience to consumers, their prices are typically higher compared to other channels – notably so compared to discounters, for example. Convenience stores also tend to offer the convenience of proximity, thus also posing as competition. Added to which, larger outlets such as...

Euromonitor International's Small Local Grocers in Ireland report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers.
