Abstracts

Closed-system single-use vapes continued to be the highest-performing e-vapour product in this category in current retail value terms in 2022, thanks to widespread availability through a range of retail channels and local consumers, particularly young adults, switching to this category due to its convenient, simple and user-friendly features in comparison to other vaping systems. Brands such as Elf Bar, IVG and Nasty Juice are already popular in this segment, and many new and smaller brands emer...
