## Abstracts

Heated tobacco and tobacco heating devices performed strongly in 2022, with both categories recording double-digit growth in volume and current value terms. This was partly because sales were emerging from a relatively low base, as these product types only became available in North Macedonia in 2019 with the launch of the Iqos and HEETS brands by Philip Morris. Prior to this, Macedonians seeking heated tobacco products had to acquire them abroad, usually from neighbouring countries such as Bulga...
