Abstracts

Since the main consumers of e-vapour products are young, they have limited purchasing power and as a result, they are attracted to the more affordable single-use e-vapour products. As a result, there has been a significant increase in single-use offerings from brands such as RELX, Waka, Elf Bar and Esco Bars. These single-use vapour products also appeal to young consumers, due to their fruit flavours and bright packaging. Whereas previously these products were mainly available online, brick-and-...
