Abstracts

Many consumers are using vapour devices to quit cigarettes as these items are perceived to be less harmful than cigarettes. The manufacturers and online sellers of vapour products have explicitly positioned and marketed their products as devices for quitting cigarettes, using testimonials to inspire others to try vaping. Increasing consumer awareness of the harmful effects of smoking cigarettes is due to government and NGO anti-tobacco campaigns. This scenario is set to continue driving demand a...

Euromonitor International's Smokeless Tobacco and Vapour Products in India report offers a comprehensive guide to the size and shape of the market at a national level.
