## Abstracts

Vapour products were present in New Zealand in 2017; however, nicotine-based products were limited to being available for sale online for personal use. Although nicotine-based vapour products remained illegal in 2017 according to the Ministry of Health rules, they have been sold in New Zealand via specific retail vapour stores, which were not prosecuted, as the bill remained in parliament to amend the Smoke-free Environments Act to allow their sales, which is expected to come into effect in the...

Euromonitor International's Smokeless Tobacco and Vapour Products in New Zealand report offers a comprehensive guide to the size and shape of the market at a national level.
