## Abstracts

Despite only emerging in Portugal in 2016, by 2017 heated tobacco had become the dominant category within vapour products in value terms. The category's rapid ascent was supported by heavy investment in marketing and distribution by Tabaqueira, which has long been the clear leader in cigarettes in the country. Heated tobacco looks set to maintain its dynamic development over the forecast period, with value sales at constant 2017 prices projected to grow at double-digit rates annually. Given the...
