## Abstracts

Heated tobacco continued to record the strongest retail volume growth in 2017. The product primarily attracts buyers because of its positioning as a healthy alternative to smoking, although this has not been proven. The trend towards a healthy lifestyle and the growing popularity of electronic cigarettes had a positive effect on demand for these products from 2016 in Russia. In addition, the promotional activities of the players and expansion of distribution channels positively influenced the de...

Euromonitor International's Smokeless Tobacco and Vapour Products in Russia report offers a comprehensive guide to the size and shape of the market at a national level.
