Abstracts

Shisha smoking is as essential part of social interaction in the Middle East and is akin to visiting friends for coffee in the West. It is a way of life where people spend time with friends, meet new people and also make business deals. For certain Arab families, welcoming guests into their home with a shisha is seen as a mark of respect. In addition, sales of smoking tobacco are boosted by the country-specific tradition of smoking medwakh (a small pipe) which is popular in the United Arab Emira...

Euromonitor International's Smoking Tobacco in United Arab Emirates report offers a comprehensive guide to the size and shape of the market at a national level.
