## Abstracts

Snacks is expected to register healthy volume and constant value growth in 2023, despite continuing economic uncertainty as a result of Russia's invasion of Ukraine, supply chain disruptions, the meteoric rise in inflation and tightening monetary policy. Azerbaijan's high energy export revenue should protect the economy to an extent. That being said, inflation is expected to still be an issue, though its growth is expected to ease slightly. As a result, consumers are expected to still be highly...
