Abstracts

It is expected to be a positive picture for snacks in Uzbekistan in 2024. While inflation is still high, there is expected to be healthy constant value and volume growth. This is partly due to continuing population growth. However, the outlook for the economy is also good as structural reforms continue and this is boosting consumer confidence. As such, while value for money continues to drive purchasing decisions, consumers are gradually shifting from economy to medium-price segments. Furthermor...
