Abstracts

The company does not seek to expand in the near future, and is waiting for purchasing power to recover and to capitalise on existing stores. Future activities will focus on effective communications (advertising, social media and the company website) or attractive offers for consumers. Furthermore, Cellini will continue to sell cheaper brands as well in the short term.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
