Abstracts

Coca-Cola continues to lead global soft drinks comfortably, overshadowing PepsiCo in geographic spread, category development and brand building. Coca-Cola's equity investment in Keurig, Monster Suja and full acquisition in Culiangwang are good new platforms for growth. Consumers' desire for healthy still drinks continues to rise, representing both an opportunity but also a challenge for carbonates' long-term sustainability.

Euromonitor International's Soft Drinks Global Corporate Strategy global briefing offers an insight into to the size and shape of the Soft Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The analysis can focus on value and volume for both off trade and on trade.
