Abstracts

Soft drinks is projected to see a flat off-trade volume growth performance over 2023. While more established categories like carbonates, concentrates and juice are set to see decreases, perceived healthier bottled water and RTD tea (especially kombucha tea) and newer functional types like RTD coffee, sports drinks and energy drinks continued to develop and grow in the retail channel. The health and wellness trend continued to shape soft drinks in Ireland in 2023, with a further shift from regula...
