## Abstracts

In 2023, soft drinks is set to record opposite performances in the on-trade channel and the off-trade channel. On 8 May 2023, the Japanese government downgraded the legal status of COVID-19 to Class 5, the level of common infectious diseases. This was a major policy shift in the government's response to the pandemic after three years. Now that COVID-19 is categorised in the same class as seasonal influenza, social and economic activities have been normalised. Consumer confidence is recovering, I...
