Abstracts

The Swiss market for soft drinks saw a marked slowdown in growth in volume terms in 2023, following the buoyant performance of the previous year. The latter was driven largely by an increase in mobility and the recovery of international tourism, which facilitated spending in on-trade establishments. While consumers continued to engage with foodservice outlets in 2023, demand began to normalise, following the surge seen post-pandemic. This trend was particularly marked in the two largest soft dri...
