Abstracts

In 2022, the Colombian soft drinks market continued its strong post-pandemic recovery, with even more dynamic growth than in the previous year. This marked a continued rebound from the COVID-19-related disruption to the industry in 2020, when sales declined in both the retail and foodservice channels. Non-cola carbonates was among the fastest-growing categories in soft drinks in 2022, providing a boost to sales of its most popular pack types: PET bottles and glass bottles. PET bottles account fo...
